

**BILINGUAL
CURRICULUM CONTENT**

INTRODUCTION

Teachers teaching Bilingual Curriculum Content (BCC) courses (i.e., Social Studies, Science and Mathematics) or Extended Foreign Language (EFL) courses can request a classroom set of one of the recommended textbooks using the forms provided in this booklet (pages 10 and 11) at no cost to the school. The instructional materials recommended below were reviewed by a committee of teachers and are directly related to the competencies for the recommended course. Approval by the Principal for usage at the school is required prior to purchase by the Division of Bilingual Education and World Languages.

RECOMMENDED INSTRUCTIONAL MATERIALS

M/J SCIENCE
